

Open Studios Photography and Zapplication help!

Below are some of the options that David Reese Photography offers to help you complete your Open Studios application.

Option 1

2D Fine Art Reproduction and Digital Image Preparation: \$105.00

1. Photograph (7) pieces of your 2D art.
2. Crop and color correct each image and save as a high resolution 16 bit TIFF file.
3. Format (7) digital images for Zapplication.org.
4. Format (1) digital image for the Open Studios Catalog.
5. Transfer images to your USB thumb drive.

Option 2

2D Fine Art Photography, Digital Image Prep and upload to ZAPP & Community Printers: \$140.00

1. Photograph (7) pieces of your 2D art.
2. Crop and color correct each image and save as a high resolution 16 bit TIFF file.
3. Format (7) digital images for Zapplication.org.
4. Format (1) digital image for the Open Studios Catalog.
5. Upload images to the Zapplication.org and FTP catalog image.
6. Transfer digital images to your USB thumb drive.

Option 3

3D & 2D Fine Art Photography

- Option 1 and 2 above includes a **25% discount** for each 2D art capture. (\$15 vs \$20 per capture)
- 2D art capture - Regular price starts at \$20.00 per piece. For most paintings, drawings, or any flat art up to 48"x60". For larger pieces please ask for a quote. A discount is available for 3 or more pieces photographed at the same time.
- 3D art - Prices start at \$100.00, please call me for a free quote. 831.359.6562
- All 2D and 3D image files are formatted for zapplication.org, or similar, for no additional charge.

Open Studios Art Tour is a juried event so having your artwork professionally photographed will ensure that it looks its very best. I also provide expert help with formatting your digital images so that they are ready to upload to websites like Zapplication.org. I have been assisting local artists with the Open Studios application process since 2006 and photographing fine art since 1983. I look forward to the opportunity to work with you. Thank you!
